

CITY OF BRYANT BILLBOARD PERMIT APPLICATION REQUIREMENTS & REGULATIONS

Before any permit is granted for the erection of a billboard or billboard structure, plans and specifications shall be filed with the City of Bryant Planning Commission showing:

- ❖ The dimensions of the billboard
- ❖ The dimensions of the billboard's supporting members
- ❖ The maximum height of the billboard
- ❖ If a freestanding billboard, a plot plan showing setbacks from all property lines, buildings, and driveways is required to be submitted. All sight triangles are required to be shown on the plot plan.
- ❖ The materials, finish, and details of construction including loads, stresses, anchorage and any other pertinent engineering data
- ❖ The application for a permit shall be accompanied by the written consent of the owner or lessee of the premises upon which the billboard is to be erected for city officials to enter said premises to inspect such billboard
- ❖ The application for a permit shall be accompanied by all applicable fees. (If the application cannot be approved the permit fee and explanation of the problem will be returned.)
